The Many Challenges Our Students Face:

- 90% live below the poverty level
- 68% have parents who did not graduate from high school
- 15% are teen parents
- 24% work an average of 32 hours per week to supplement their family income
- 30% have been part of the juvenile justice system

Here's How it Works

1. MAKE THE CONTRIBUTION

Contribute up to \$400 (married couples) or \$200 (single) to Genesis Academy. If desired, you may participate in this tax credit as well as the private school tuition and/or the charitable tax credit programs.

2. TAKE THE CREDIT

Receive a dollar-for-dollar tax credit from your Arizona State Income Tax to the extent that your tax liability is reduced to zero. Any unused amount may be carried over for up to five years. (Tax circumstances vary greatly. Please consult your tax advisor for specific questions related to your tax situation.)

3. MAKE THE DIFFERENCE

Genesis Academy serves students at the highest risk of dropping out of the educational system. Our students are in great need of the extracurricular programs your donation will provide. Programs include arts, sports, dance team, and character education.

Tax Credit Supported Programs

The funds raised from the Arizona Public School Tax Credit Program support extracurricular activities and character education programs at Genesis Academy including:
